Redbank Valley Athletics and Extra-Curricular Activities

November 13, 2020

Dear Parents/Guardians:

The district is navigating the increased number of COVID-19 cases in the community and responding to the recommendation by the Pennsylvania Department of Health and the Pennsylvania Department of Education as Clarion County moves into the second consecutive week in 'substantial' status. Armstrong County has entered into the third week of 'substantial' status.

The overarching goal of the district is to assist in mitigating the transmission and spread of the COVID-19 virus. In doing so and in alignment with recommendations from the DOH and PDE, Redbank Valley School District will be moving to remote instruction for all students beginning Monday November 16, 2020. The anticipated return to face-to-face instruction is December 1, 2020. However, the district will monitor cases over the next two weeks to determine if remote instruction will need to continue beyond December 1, 2020. The district will keep everyone informed.

The district also would like to address athletics and extra-curricular activities in the midst of increasing numbers of COVID-19 cases. The athletic teams that are currently participating in play-off competition (Girls Volleyball, Girls Soccer, and Varsity Football) will be permitted to continue practice and competition until their playoff eligibility ends.

All other extra-curricular activities and athletics have been postponed until further notice. The district will make notification when these activities are permitted to resume again.

The district greatly appreciates your assistance in navigation the situation.

Sincerely,

John R. Mastillo
