

Redbank Valley School District Gym Bleacher Keepsake Sale

Own a piece of Redbank Valley School District history! The Redbank Valley High School Gym was renovated during the Fall of 2022. The gym bleachers were replaced with a new updated system. The district has decided to reclaim some of the wood to use to make keepsakes and for other future projects.

The keepsakes will be made by the students in Mr. Watkins' Technology classes. Before the keepsakes are made, the wood will be prepared via minor scraping, cleaning, and cutting, followed by using the laser engraver. New polyurethane will be only applied to the exposed (cut) ends to preserve the wood and maintain authenticity.

Original Bleacher Wood

Boards will be cut to size (approx. 10" x 8" & 4" x 4"), laser etched, with polyurethane applied to cut edges. Ornaments will be pre-drilled and ready for adding ribbon or wire to hang.

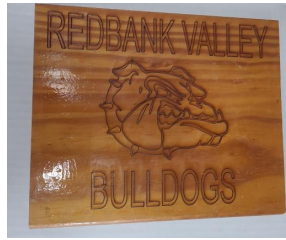

Gym Bleacher Keepsake Sale Order Form

Choose from one of four options:

Laser Etched Ornament

Laser Etched

Laser Engraved

**Custom
(Name, Years, or Sport)**

Laser etched is an outline. Laser engraved is a deeper cut and etched.

To place an order, complete the form below and return it with payment to the Redbank Valley High School Office.
