REDBANK VALLEY HIGH SCHOOL  
910 BROAD STREET  
NEW BETHLEHEM, PA 16242

Dear Students and Families,

With a quarter of the school year behind us, the 2016-2017 school year is well underway! Many exciting things have taken place since my last newsletter.

ABC News Nightline visited the school prior to the election to put Redbank Valley on the map. The school wide anti-bullying campaign is underway, a procedure to allow water bottles is enclosed, and we are excited to announce that our Robotics team is headed to North Dakota for the National Competition.

Fall sports has wrapped up, and winter sports practices begin this week. I continue to be proud of all of our student athletes who demonstrate sportsmanship on and off the field.

As we move into the holiday season, I want to thank all of you for your support of all of the new initiatives and guidelines put into place. Together we are making a difference in the lives of the students in the Redbank Valley.

*Amy Ruff*

## New Water Bottle Procedure

### SCOPE

These procedures apply to all students in grades 7-12 who attend Redbank Valley School District.

### ACCESSIBILITY

Water fountains are available in each hallway in the high school. Students are permitted to get drinks between classes. In addition, students may be excused from class to get a drink.

Should students wish to carry a water bottle to class with them, the following guidelines will apply:

Bottles of water can be purchased at breakfast or lunch, or brought to school in original packaging.

Clear water only; there shall be no flavor packets added to the water bottles.

All bottles must be disposed of properly by the end of the school day.

### RESTRICTIONS

Reusable water bottles from home are not permitted. Original packaging must be in tact.

Water bottles are not allowed in computer labs or around computers. If brought to class, they must be sealed and placed on the floor or under a chair.

Water bottles are not permitted during standardized testing (PSSA/Keystone testing)

Teachers reserve the right to inspect any water bottles at any time

Students who are misusing the water bottles (ie. Bottle flipping, littering, popping tops, etc) will lose the privilege of carrying a water bottle.

*Congratulations to our 2016 Homecoming Queen, Hannah Adams and her King, Scott Toth. The RVHS Bulldogs Football Team defeated Brookville on September 23rd with a score of 42-2.*

*Our Homecoming dance was well attended with over 350 in attendance. In order to ensure safety and enjoyment by all, future Homecoming Dances will be attended by grades 9-12 only. A fall/winter dance will be planned for 7th and 8th grade students.*
