RE: TRUANCY POLICY

DATE: JULY 28, 2015

We have updated the Clarion County Truancy Policy that was distributed to all of the County school districts in 2012. Please be aware that there are no substantial changes. It was simply necessary to change all references to SAM in the AAP order and other forms to Clarion Community Resources. Thus, the only changes can be found on pages 15, 16 and 17.

To make things simpler for all involved, and to be sure that everyone has forms with the correct information, we have updated and amended the policy and a copy of it is attached for your use.

Thank you.

**IN THE COURT OF COMMON PLEAS
OF CLARION COUNTY, PENNSYLVANIA**

IN RE: CLARION COUNTY : NO. 530 Civil 2012
TRUANCY PROTOCOL :

ADMINISTRATIVE ORDER

AND NOW, this 1st day of June 2012, the Clarion County Courts hereby adopt the attached Clarion County Truancy Protocol for use by all Clarion County Courts, Juvenile Probation and Children and Youth Services. We recommend to all of the school districts referring cases to the Clarion County Courts to apply and follow the truancy protocol, thereby bringing about a uniform truancy policy. The Clarion County Truancy Protocol will be effective on June 1, 2012.

BY THE COURT:

James G. Arner

JAMES G. ARNER, P.J.

Introduction

Truancy is a problem that affects many people, including children, parents, school officials, children and youth services workers, probation officers, and judges. When children do not attend school, they miss out on many beneficial educational and social opportunities. Parents who do not require regular school attendance may have to pay fines, complete parenting programs or perform community service. For teachers and school administrators, dealing with truancy issues takes up time that could otherwise be used to educate students who want to learn.

Over the years, our schools have taken a proactive approach in trying to impress upon students and parents alike that a formal education is beneficial and they must comply with the law. Despite the best efforts of school officials, some children and parents just do not comply. Some families even move from school district to school district to avoid their responsibilities.

To address these issues, the Clarion County Children's Roundtable, a group formed as a result of an initiative by the Pennsylvania Supreme Court and comprised of individuals who work with dependent and delinquent children, approached school superintendents in Clarion County about creating a County-wide truancy protocol. The idea was for all schools, Children and Youth Services, Juvenile Probation and the courts to work together to develop a common approach to dealing with truancy. One objective was to prevent families from moving among districts to avoid their responsibilities. Roundtable members proposed an approach similar to that used in Venango County. Through meetings and exchanges of information and ideas, a protocol for Clarion County was developed and adopted. It is now ready for use.

On behalf of the Children's Roundtable, I want to thank the Roundtable members, superintendents, principals, guidance counselors and other school officials for their input and continuing support of this project. We are most appreciative of the efforts of Union School District Superintendent Larry Bornak, CYS Director Kay Rupert, JPO Deputy Director Mike Blum, Family Group Decision Making Coordinator Janet Schreckengost, and Magisterial District Judges Long Turk, Quinn, Miller and Schill and for the assistance of the Venango County Court of Common Pleas.

B. Truancy Procedure

1. As initiated by the school

- a. An unlawful absence is, an absence:
 - (1) for which the school district has not received an authentic, valid written excuse within 3 days; or
 - (2) after 10 days cumulative lawful absences for which no physician's excuse is timely received by the school.
- b. School district shall immediately inform the parents/guardians in writing upon each incident of unlawful absence (see Attachment I).
- c. After third unlawful absence:
 - (1) School will complete a Truancy Referral Form (Attachment II) and schedule a TEP meeting, entering the date and time on Attachment I. TEP meetings will be scheduled by the school districts based on the following days:

Monday:	AM-Redbank PM-Union
Tuesday:	AM-Clarion-Limestone PM-AC Valley
Wednesday:	AM-Keystone PM-Clarion Area
Thursday:	AM-North Clarion
 - (2) School shall send the letter (Attachment I) to the parents/guardians by both regular and certified mail.
 - (3) Children and Youth Services (CYS) will be notified by forms attached (see Attachments I and II). School will not have direct contact with Clarion County's Promise Family Group Decision Making Coordinator (FGDM) until written consent has been obtained.
 - (4) If student is open with the Juvenile Probation Office (JPO), school will notify JPO, based on the monthly reports sent by JPO to the districts.
 - (5) Within 1 business day of receipt of the Truancy Referral Form and a copy of Attachment I, CIS will forward both to the FGDM.
 - (6) The TEP shall incorporate strategies to avoid further absences and shall be in writing and should be in substantially the same format as the form attached (Attachment III).

- (7) A CYS worker and/or JPO will attend the TEP conference if the student is currently open with CYS or under the supervision of JPO.
- (8) The TEP will be distributed by the school to:
 - a. parents/guardians,
 - b. student,
 - c. CYS,
 - d. and all parties present at the TEP, with parental/student agreement.
 - e. Copy retained by the school.
 - f. School will assure the parent/guardian and student signs release for plan to go to CYS; if plan is to be distributed to parties not present at the TEP meeting, CYS or FGDM will work with family to secure the necessary releases.
- d. Three outcomes can occur after the scheduled TEP meeting:
 - (1) student has no further unlawful absences this school year (the matter is concluded), or
 - (2) the school is unable to complete the TEP. If plan is not obtained, and one additional unlawful day occurs, then school will:
 - a. send a notice of excessive absences (Attachment IV), and
 - b. file a citation with the District Judge.
 - c. Copy CYS the letter (Attachment IV) and a copy of the citation.
 - (3) If the TEP is completed, but the child has further unlawful absences:
 - a. after each absence, the school will send notice when student is absent to parents/guardians and to CYS and JPO, as appropriate.
 - b. On the 1st unlawful absence after the TEP meeting has occurred, school will file citation for original truancy hearing with the District Judge and copy CYS, or JPO as appropriate, with the citation. School will also, if it has not previously done so, send CYS a copy of the TEP. School representatives will attend and may have to testify at the hearing before the District Judge.
 - c. Student and parents/guardians will attend and fully participate in the hearing before the District Judge.

2. Magisterial District Judge (MDJ) will schedule a hearing and follow 24 P.S. §13-1333:

- a. The child, parent or guardian or person in parental relation (the parent) must attend the hearing. §13-1333(a)(2).
- b. Parents: If the MDJ finds that the parent has failed to comply with the law on compulsory attendance,
 - (1) the parent will be convicted of a summary offense and be sentenced to pay a fine for the benefit of the school district not exceeding \$300 and court costs or to complete a parenting education program.
 - (2) If the parent fails to pay the fine and costs or to complete the program, he/she shall be sentenced to the County Jail for a period not exceeding five days. §13-1333(a)(1).
 - (3) The MDJ may suspend the sentence if the child is no longer habitually truant. §13-1333(a)(3) and §13-1333(b)(5).

- (4) In lieu of or in addition to any other sentence, the MDJ may order the parent to perform community service in the school district for a period not exceeding six months. §13-1333(a)(4).
- c. Children 13 years old or older: If the MDJ does not convict the parent because he/she took every reasonable step to insure the child's attendance at school, and if the child has failed to comply with the law on compulsory attendance or is habitually truant,
- (1) the child commits a summary offense and shall be sentenced to pay a fine not exceeding \$300 for each offense for the benefit of the school district or shall be assigned to an adjudication alternative program (AAP) as provided in 42 Pa.C.S.A. §1520. §13-1333(b)(1).
 - (2) If the child is assigned to AAP, the MDJ shall complete the form which is attached hereto as Attachment V and the child, parent and MDJ shall sign the form.
 - (3) A copy of the AAP order and release of information will be sent to CYS for monitoring and supervision.
 - (4) If a child has failed to pay the fine or to comply with AAP, the MDJ may allege the child to be dependent and contact CYS. Failure to pay a fine or to comply with AAP will not constitute a delinquent act. §13-1333(b)(2).
 - (5) Upon conviction, the court shall send to PennDOT a certified record of the conviction on the PennDOT form. The child's driver's license shall be suspended or he/she shall be ineligible for a license pursuant to §13-1338.1. §13-1333(c).
 - (6) The MDJ may suspend the sentence of a fine or AAP if the child is no longer habitually truant. §13-1333(b)(3) and §13-1333(b)(5).
 - (7) In lieu of prosecution, the school district may refer the child for services or possible disposition as a dependent child. §13-1333(b)(4).
- d. Children under age 13: As to children under age 13 who have failed to comply with compulsory attendance and are habitually truant, the school district shall refer them for services or for possible disposition as dependent children. They may not be charged with or convicted of a summary offense. §13-1333(b)(4).
- e. At the conclusion of the case, the MDJ will issue an Order of disposition and will submit copies of that Order to the home school district and CYS.

3. JPO Procedures

- a. The objective of the JPO should be to ensure that all youth open with the agency that are in school attend school every day.
- b. JPO is to keep the school informed of any student who has been adjudicated delinquent or who is under supervision and to apprise the school when supervision is terminated.
- c. If JPO receives notice of a youth on caseload who had unlawful absences, the probation office will address and correct the problem with the student.
- d. If a TEP is scheduled for a youth open with JPO, the probation office will attend and assist the school and the family in determining causes of the truancy and fashioning solutions to incorporate into the TEP.

- e. Upon notice from the school of further unlawful absences after the TEP, JPO will take appropriate steps. JPO, upon request of the school, will update the school on the status of JPO's efforts to assure attendance.
- f. Upon completion of supervision by Juvenile Probation, where a truancy notice has been received from the school, JPO will send, as part of its general closure report, a report to the school that:
 - (1) discusses what action was taken by JPO as a result of the truancy referral, and
 - (2) an evaluation of the effectiveness of any action taken.

4. CYS Procedures – on receipt of Truancy Referral (Attachments I and II)

- a. All truancy referrals and parent letter (Attachments I and II) will be faxed to the FGDM Coordinator within 1 business day of receipt from the school.
- b. If the family is open with CYS, a caseworker will attend the TEP meeting.
- c. If the family is open with CYS and the school files a citation with the District Judge, CYS caseworker will submit to the District Judge a summary of its assessment and recommendations for the District Judge at least 2 days prior to the hearing.
- d. If requested by the District Judge, the caseworker will attend truancy hearings or arrange for alternate representation when unable to attend.
- e. If the child who is 13 years of age or older is placed in the AAP program, the CYS worker will collaborate with the school district and any other services that are ordered to monitor compliance of the order and report to the court any completions or non-compliance of the order. The CYS worker will complete a truancy status report and submit to the District Judge on a monthly basis (Attachment VI).
- f. For all cases where the family is open with or monitored by CYS, the CYS worker will complete a truancy status report and submit to the school on a monthly basis (Attachment VI).

NOTICE OF EXCESSIVE ABSENCES

Date: _____

Re: _____

Dear Parent/Guardian:

Your child has missed _____ days of school as of _____. This is an excessive number of absences in breach of the Truancy Elimination Plan (TEP) or in violation of the compulsory attendance requirements. Each day a student is absent from school, s/he missed six (6) hours of quality instruction time. This negatively impacts academic performance, and it is very difficult for the student to overcome this loss of instructional time. At _____ School, we are committed to the belief that regular attendance is conducive to proper and thorough educational programs.

Your child's absences this year have not permitted him/her to receive the proper exposure to our educational program. Repeated communication and the attempted TEP have not brought an improvement in your child's attendance.

Since there has been no improvement in your child's attendance, this office will be filing a citation immediately with Magisterial District Judge _____ office.

Sincerely,
