February 23, 2016

Dear Parents:

You can now check the status of your child's bus transportation ride to and from school any time outside normal school hours of operation by calling 814-275-2426. If your child's bus is running late in the morning or delayed for any reason on the ride home in the afternoon, please contact us by phone at 814-275-2426. Our new calling service available outside the school day will permit you to access Redbank Valley School District transportation personnel to inquire regarding a bus delay for any reason. Please take advantage of this opportunity as Redbank Valley School District strives to improve communication and awareness with parents/family.

In addition, as the District is made aware of an individual bus delay for any reason, the district "Alert Call" phone system will be used to notify the families of students riding the delayed bus. This will only occur when the bus is significantly delayed due to impassable roads, mechanical breakdown or emergency situations.

Please contact the District at 814-275-2426 to check the status of a school bus at any time. The contact information is also available on the Redbank Valley School District Web Page.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael A. Drzewiecki', written over a faint circular watermark or background.

Michael A. Drzewiecki

Superintendent

Redbank Valley School District
